## JOIN US AS WE LAUNCH THE ADVENTURE WITH DEMENTIA SOCIAL GROUP

### ABOUT THIS EVENT:

Alzheimer's Australia (Qld) and Bromilow Home Support are inviting you to join us as we launch a social group for fit and active, young at heart people living with dementia.

We acknowledge our appreciation to The Buderim Foundation in providing a community grant to enable this group into fruition.

The Adventure with Dementia Social Group is intended to be an alternative model to respite and is the first of its kind on the Sunshine Coast. Please come and share a sausage sizzle with us, mingle with families in the local community, learn more about how you can support people living with dementia in your community and enjoy the atmosphere.

We look forward to seeing you there!
