

Family Carer Support Group 2024

Dementia and Caring

After dementia is diagnosed life continues.

The role of the family carer can be new and challenging.

Experiencing the changes of dementia in all facets of life can create a roller coaster of emotions.

Some carers do not have a network of family and friends.

This Support Group is a safe place to discuss and work through shared issues.

Only for the family carer.

Must register:

Facilitated by

Vince & Lorrae O'Rourke:
