

# Catch-up Cuppa Maroochy

## 2025

**Living with  
Dementia and  
being a carer**

may be challenging,  
isolating and lonely.  
This is a social time for  
people living with  
dementia, their family  
or paid support carers  
& post-carers.

It is a time to share  
information and enjoy  
with those who  
understand.

(not for staff)

**Come and join us. Look  
for a purple rose!** 

Please register:
